

Cameron County Amnesty Period June 22 – July 3

The Cameron County Justices of Peace will be holding a two week Amnesty Period on Failure to Appear Charges. This is a first for Cameron County JP Courts and we are hoping to continue this program annually.

The Amnesty Period will run June 22 - July 3, 2020 and allows defendants to pay all fines and fees in full, and the Court will waive the Failure to Appear charge associated with the warrant. This could be a potential savings of up to \$500.

Due to the current COVID-19 situation, all Courts will encourage emails and phone calls from interested parties wishing to take advantage of this Amnesty Period.
