

## **Public Meetings for the Development of the Cameron County Parks Master Plan**

Community involvement is vitally important during this planning process. Public input will help us better understand the recreational needs of each community. We ask you to please join us and participate at one of these meetings. Those unable to attend may visit the Cameron County Parks and Recreation website and submit comments at [www.cameroncountyparks.com](http://www.cameroncountyparks.com) by July 20, 2018.
