**CAMERON COUNTY EMPLOYEES TEST POSITIVE FOR COVID-19**

Today, February 18, 2021, the Office of Cameron County Judge Eddie Treviño, Jr., has been notified that one (1) employee from the Juvenile Probation Department, and one (1) employee from the Elections Department have tested positive for COVID-19. Due to privacy laws, Cameron County will not release specific employee information.

The Public Health Department is working closely with elected officials and department heads to continue taking the appropriate steps to keep their employees and the public safe. Constituents are asked to continue to conduct business online by going through the County's website at <https://www.cameroncounty.us/>.

"We are going to hold a second dose mass vaccination clinic this Sunday, February 21, 2021, at the Los Fresnos Fire Department for those individuals that were vaccinated at the same location on January 21<sup>st</sup> and 22<sup>nd</sup>. The current winter weather conditions would have placed many of lives at risk and we therefore decided to combine both clinics for this Sunday as the forecasted weather will bring some sun. Through COVID-19 and the ongoing February Winter Weather Storm, I remind everyone that we're in this together. Thank you everyone who will assist us in this week's vaccination clinic. To all County employees, please continue to follow all health and sanitation protocols when in public to prevent the spread of COVID-19 both at work and at home," stated Cameron County Judge Eddie Treviño, Jr.

The Cameron County Judge's Office will continue to provide updates as needed.
