SPACEX INCORPORATION INQUIRY

In the last few days, Cameron County was officially approached by SpaceX regarding Elon Musk's interest to incorporate Boca Chica Village into the City of Starbase, Texas. Earlier today Cameron County Commissioners Court was informed of SpaceX's endeavor.

"If SpaceX and Elon Musk would like to pursue down this path, they must abide by all state incorporation statutes. Cameron County will process any appropriate petitions in conformity with applicable law," stated Cameron County Judge Eddie Treviño, Jr.
