**CORRECTED FINANCIAL STATEMENT  
AND  
GOOD-FAITH AFFIDAVIT**

**All Reports:** A filer who files a corrected financial statement must submit a correction affidavit. The affidavit must identify the information that has changed. Attach any part of your financial statement form needed to report and explain corrections.

**Reports filed with Texas Ethics Commission:** Under state law, a personal financial statement (PFS) filed with the Ethics Commission by an elected officeholder, a candidate for an elected office, or a state party chair must be filed electronically. All corrections to an electronically filed PFS must also be filed electronically. Under new state law effective May 29, 2017, a PFS filed with the Ethics Commission by an appointed officer may be filed electronically using the online filing application or on a paper Form PFS.

**Note:** A person who is required to file a PFS with the Ethics Commission as a *candidate* for office or as an *elected* official does not have the option to file a PFS or a corrected PFS on paper.

**Local Filers:** If you are filing a personal financial statement (PFS) with a local filing authority, you must ensure that the PFS is in the proper format required by the local filing authority. All corrections to a PFS must be filed in the same format as the original.

This correction affidavit can be used only for a personal financial statement (PFS) that is filed on paper. Do not use this correction affidavit for a PFS that is filed electronically with the Commission.

A corrected financial statement filed with the Ethics Commission after its due date is considered late for purposes of late-filing penalties unless: (1) any error or omission in the report as originally filed was made in good faith, and (2) the person filing the report files a corrected report and a good-faith affidavit not later than the 14th business day after the date the person learns that the report as originally filed is inaccurate or incomplete.
