For the avoidance of doubt: (i) each one-year Start Extension that is granted shall increase the PILOT Amount for the Facility, so that if all three (3) potential Start Extensions are granted the yearly PILOT Amount would be increased by \$300,000; (ii) the consent to grant a Start Extension shall not be conditioned on or subject to any other changes to the terms and payments established hereunder or any other condition.. The Company shall notify the County in accordance with the requirements of Article VII when it has commenced construction.

2.05 During the Incentive Period, as defined below, the Site and the Facility shall be used for a lawful use related to the support and/or operation of the Company’s business. The Site shall at all times be used in a manner consistent with the general purpose of encouraging development within the Enterprise Zone. Notwithstanding the foregoing, the requirements of this Section 2.06(c) shall not be applicable if maintaining such employees at the Site would present an unacceptable level of risk to the health and safety of such individuals. For the avoidance of doubt, this Section 2.06(c) shall apply in place of (rather than in addition to) the employment requirements of Section 2.06(b).

(d) For purposes of this Agreement, the term “**Employee Minimum**” means the minimum target number of Full-Time Employees and/or Full-Time Equivalent Employees set forth in Section 2.06(b) during operations and Section 2.06(c) during shutdowns, respectively, without duplication; and the term “**Regional Residents**” means individuals who: (1) resided within the County or within fifty (50) miles of the Site for at least six (6) months prior to being hired into their current position, or (2) were born in the County. As such, and for the avoidance of doubt, all local employment minimums in this Section 2.06 are agreed to be targets and goals and are not meant to be requirements. The Company will make a good faith effort to achieve the targets and goals.

2.07 The Company shall be and remain current on the payment of any and all taxes owed by such Company to the County and all remaining taxing entities within the County; provided, however, that such Company may properly follow legal procedures to protest or contest any such taxes.

(c) This Agreement will be construed and enforced in accordance with the laws of the State of Texas.

(d) If any term or provision of this Agreement is invalid, illegal or incapable of being enforced, all other terms and provisions of this Agreement will remain in full force and effect and such invalid, illegal or unenforceable term or provisions shall be reformed automatically so as to comply with the applicable law or public policy and to effect the original intent of the parties.

(e) The term "**Added Value**" means the assessed value of Eligible Property as determined by the Cameron County Appraisal District over the Base Year Value.

(f) The term “**Affiliate**” means any entity which is controlled by, controls, or is under common control with the Company. For the purposes of this definition, the term “controlled by”, “controls” or “under common control with” shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of any entity, whether through ownership, legally or beneficially, of voting securities, by contract or otherwise.

(g) The “**Base Year Value**” means the base year value of the land and any improvements, fixtures or equipment thereon as of January 1, 2024 as determined by the Cameron County Appraisal District.

(h) A “**business day**” means Monday through Friday of each calendar week, exclusive of holidays observed generally by Cameron County, Texas.

(i) The term “**Eligible Property**” means the improvements, fixtures and equipment for the Facility to be located on the Site as shown on Exhibit 3 (such schematic shall be illustrative of the location of the Eligible Property on the Site and not intended to limit in any way the scope of such Eligible Property).

(j) “**Full-Time Employee**” means a full-time employee as defined by § 4980H(c)(4) of the Internal Revenue Code, as amended, codified at Title 26 of the United States Code. If the aforementioned definition is at any time removed from Title 26 of the United States Code, a Full-Time Employee shall mean a full-time employee as defined by § 4980H(c)(4) of the Internal Revenue Code as of the Effective Date. The parties acknowledge that as of the Effective Date, this term generally means, with respect to any month, an employee who is employed on average at least 30 hours of service per week.

(k) “**Full-Time Equivalent Employee**” means a combination of employees whose combined hours add-up to forty (40) hours per week, each of whom individually is not a Full-Time Employee, but who, in combination, are counted as the equivalent of a Full-Time Employee. For example, two (2) employees, each of whom works twenty (20) hours per week, shall be considered a Full-Time Equivalent Employee for purposes of this Agreement.

(l) “**Related Employers**” means an Affiliate, EPC contractor or other applicable employer that hires employees to work within the County for the administration, construction, operation and/or routine maintenance of the Facility.

(m) “**Required Wage**” means (i) a minimum wage of \$14/hour for employees that are compensated on an hourly basis; or (ii) a minimum salary of \$29,120/year for employees that are compensated on an annual basis. The calculation of the Required Wage may include bonuses and employee benefits provided by the employer, excluding healthcare benefits. The calculation of the Required Wage specifically excludes compensation for overtime work. For employees that are compensated on an annual basis, but have not yet worked a full year as of the “reporting date” in the Award Affidavit, such employee(s)’ salaries may be prorated based on the number of months such employee has been employed.

(n) This Agreement may be executed simultaneously in one or more counterparts each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

(o) This Agreement (together with the Exhibits hereto and the documents to be delivered pursuant hereto) constitutes the entire agreement among the parties, all negotiations by between and among them being merged into this Agreement (together with such Exhibits and documents).

(p) Unless context requires otherwise, the words, "herein", "hereof" and "hereunder", and words of like import, shall be deemed to refer to this Agreement in its entirety and not to any individual article, section, subsection, paragraph, or subparagraph. The pronouns used in this Agreement will be constructed as masculine, feminine or neuter, singular or plural, as the context may require.

(q) Each party hereto has been represented by legal counsel designated by it and no provision of this Agreement will be construed in favor of, or against, any of the parties hereto by reason of the extent to which this Agreement or any provision hereto is inconsistent with any prior draft hereof or thereof.

(r) The Company shall provide to the County (or permit the County to inspect, as the case may be) the financial information and records referred to in this Agreement, and the County will accept from the Company the financial information as "**Confidential Information**" and agrees to receive and, for the duration of this Agreement and five (5) years thereafter, to not make any unauthorized use of the Confidential Information, including, without limitation, to use such information in the support of activities competitive with those of the Company, and to maintain said Confidential Information in secrecy and strict confidence unless: (i) such information has lawfully become public information through action of the County; (ii) such information was known to the County prior to having obtained such information under the terms of this Agreement or was developed independently of the Confidential Information provided by the Company; (iii) such information becomes lawfully available to the County, from another source, which has not received the information, either directly or indirectly, from the Company or an Affiliate; or (iv) the disclosure of the information is required by law. The confidentiality obligations of this Section 8.08(r) shall expire three (3) years after the last day of the last Operational Year of this Agreement.

(s) In the event that the County receives a request for information relating to the Company, Confidential Information or any other information provided by the Company to the County pursuant to this Agreement, the County shall timely seek an opinion from the Attorney General of the State of Texas requesting if the information requested is required to be provided. Additionally, the County shall timely notify the Company of the request. The County agrees to use its best efforts in safeguarding all information relating to the Company, including all proprietary, commercially sensitive, and Confidential Information, as well as non-proprietary or non-confidential information provided pursuant to this Agreement, and any other information provided by the Company to the County.

(t) In further consideration of the Company's performance of its obligations herein, the County agrees that should the Company seek to realize inventory tax benefits associated with the Foreign Trade Zones ("**FTZ**") program administered and overseen by the U.S. Department of Commerce (Foreign Trade Zones Board) and U.S. Customs & Border Protection, the County will

provide the Company or an Affiliate, as applicable, non-objection letter(s) required from the County for the FTZ application.

(u) In the event that the Companies decide to cease or discontinue its operations at the Site permanently, the Company shall use good faith efforts to clean-up, restore the Site and remove improvements made to the Site associated with the operation of the Facility, as is reasonably practicable and as is required by its lease agreement with the POB. The Company shall abide by any state, federal or other applicable law relating to such clean-up and removal and restoration.

Article IX

(a) the Company fails to submit to the County an Award Affidavit at the time and in the manner required in this Agreement;

(b) any warranty, affirmation or representation made to the County by or on behalf of the Company with respect to any certificate, Completion Report or Award Affidavit proves to have been false or intentionally misleading in any material respect when made;

(c) the Facility is completed and begins operations, but subsequently all operational Trains at the Site cease the production of LNG for a period of one year or more for any reason except production shut downs to address safety concerns, fire, explosion or other casualty, accident or natural disaster or other event for which the Company (or one or more of its Affiliate's) performance is excused for reason of Force Majeure during the Incentive Period unless (i) the Company can demonstrate to the County (acting reasonably) that it is diligently pursuing the resumption of LNG production operations for at least one Train; and where for purposes of this Agreement "**Force Majeure**" shall mean any act, event or circumstance, whether of the kind described herein or otherwise, that is not reasonably within the control of, does not result from the fault or negligence of, and would not have been avoided or overcome by the exercise of reasonable diligence by the party claiming Force Majeure, with the party having observed a standard of conduct that is consistent with a reasonable and prudent operator; including: (i) acts of God, the government, or a public enemy; strikes, lockout, or other industrial disturbances; (ii) adverse weather conditions, catastrophic storms or floods (including adverse weather conditions, catastrophic storms or floods that prevent access to or operation of the Facility due to closure of roads by decision of a local, state or federal authority); (iii) wars, terrorism, revolts, insurrections, sabotage, commercial embargoes, blockades or civil disturbances of any kind, epidemics, fires, explosions, arrests and actions of a local, state or federal authority that were not requested, promoted or caused by the affected party; (iv) changes in or introduction of laws, rules, regulations, ordinance, decree or orders of any national, municipal or other governmental authority, whether domestic or foreign, or the nationalization, confiscation, expropriation, compulsory acquisition arrest or restraint of any assets by any governmental authority; (v) loss of, accidental damage to, or inaccessibility to or inoperability of any pipeline providing gas supply to the Facility or any disruption under the gas supply agreements supporting the Facility; (vi) any

event affecting an LNG tanker that is directly en route to the Facility to load a scheduled cargo, which results in the Facility having to declare an event of Force Majeure due to the impact on the Facility's operations; and (vii) the denial, expiration of, or failure to obtain, any regulatory approval, required for the Facility's operations;

(d) any warranty, affirmation or representation, other than those described in Section 9.01(b), made to the County by or on behalf of the Company on the date hereof proves to have been false or misleading in any material respect when made;

(f) the Company fails to timely pay, when obligated, any investigation cost incurred by the County hereunder or any audit cost under Section 4.05;

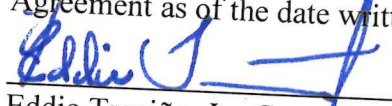

(g) To the extent permitted by law, if bankruptcy or insolvency proceedings are commenced by or against the Company; or

(h) the Company fails to pay any PILOT Payment when due and owing.

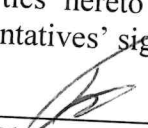

9.02 If the County determines that the Company is in default in accordance with the terms and conditions of this Agreement, then the County shall notify the Company in writing of such default. If the default is not cured by the Company within thirty (30) calendar days from the date of the notice, then the County may exercise its remedies under Section 8.05. Notwithstanding the foregoing sentence, the cure period for a default pursuant to Section 9.01(h) shall only be ten (10) business days. The County Administrator may extend the thirty (30) day cure period an additional sixty (60) days if the default may not reasonably be cured within the thirty (30) day period. If the County determines that the Company is in default pursuant to Section 9.01(c), but the Company is able to show that another Train within the County (but not located at the Site) related to the Facility is still in operation, the County will work in good faith to modify this Agreement to include the operational Train as part of the Site; provided that any modification shall not extend the Incentive Period or the Term.
