NOTICE TO CAMERON COUNTY RV GUESTS REGARDING MARCH & APRIL 2025 WINTER RESERVATIONS FOR ISLA BLANCA

The Cameron County Parks & Recreation Department is pleased to announce that it will be accepting Winter reservations for March and April of 2025 starting on September 15, 2024 at 8:00 AM. If you recall, these sites were temporarily suspended during the original winter release event for possible construction scheduling. We are now confident that construction will not affect any areas of the park until after April 2025.

Reservations will first be made available on September 15, 2024 at 8:00 AM to guests who would like to extend an existing reservation for these two months. To qualify for an extension, guests must have an existing reservation thru February 28, 2025 originating from the April 15, 2024 winter release event, and will only be able to extend on the site currently reserved. Reservation Extensions will only be available via emailed request, telephone or walk-in, and will end on September 16, 2024 at 6:00 PM. Reservation "extensions" will not be available online.

On September 16, 2024 at 8:00 PM, all remaining availability for March and April will be released to the public via the online reservation system at <https://www.cameroncountytexas.gov/parks-coastal-parks/parks-rv-reservations/>. Reservations by phone or in-person will be accepted on the next business day at the Isla Blanca Park registration office.

Should you have any questions, please feel free to contact our offices or submit your inquiry via email. Please find listed below the office hours, email and telephone numbers for Isla Blanca Park along with some helpful tips for making an online reservation.

Helpful Online Reservation Tips:

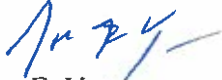

- Making a reservation is as simple as entering the range of dates intended for your stay, RV type and length, then selecting "Show Availability". The park's map will then populate with available sites for the selected dates. Once you choose your site, you will be prompted to enter required fields of information followed by an option to secure your reservation with payment. When finished, a transaction receipt will be sent to the email you've provided.
- For guests who know what site they desire, they can then click on the specific site. If the site is available, the site will populate on the parks map for selection. Follow the prompts to complete your reservation (see instructions above).
- For guests reserving a month or longer, it is important to note that Fire Fly requires the departure date to be the same as the arrival date (e.g. March 3rd thru April 3rd) in order to obtain the monthly rate. Anything less

than a calendar month will revert to a weekly and/or daily rate, whichever is deemed applicable by the system.

- Monthly reservations require full payment for the entire month. Multiple month reservations will require payment for one full month. Daily and weekly reservations require full payment for the entire stay.

We sincerely appreciate your patronage and hope that you can continue to visit Isla Blanca. For the latest Park's news, please visit our Cameron County Parks & Recreation Facebook page, The Parks & Recreation website or the Cameron County website.
