Article IV. Scope of Work

The Cameron County Juvenile Board is charged with providing education to those students who have been expelled by any of the school districts within the County and who have been adjudicated as delinquent by a juvenile court. In addition, the court may order students who have been expelled and who are found to have undertaken conduct indicating a need for supervision (CINS) to attend the program. The Cameron County Juvenile Board has the discretion to also accept Discretionary Expelled student into the program. It is unknown what the rate of students will be as it is the schools authority to decide what students get expelled.

The Juvenile Board has two goals for the Program: to educate the children; and to stop their delinquent conduct and misbehavior. With respect to the education of students, the Juvenile Board would like to make certain that the students improve and that they are able to reintegrate into the regular school once their term of expulsion expires. With regard to conduct, it is hoped that the student will successfully complete their program time and/or probation and that they will not re-offend in the future.

Article XI. Preparing the Proposal

Cameron County may either solicit unit prices or lump sum prices in a Request for Proposal. The Notice to Offerors will identify the method of purchase for this project. This section explains both methods. The Offeror should refer to the Notice to Offerors to determine whether it is a unit price or lump sum price solicited.

Submit the proposal on the form(s) provided by the County. A submitted proposal that alters the content of the form furnished by the County will be considered non-responsive. All entries must be in ink. All blank spaces in the proposal response form should be filled out completely, and all numbers set forth both in words and figures.

If the proposal furnished with this project requires an offer on a unit price/estimated quantity basis, the Offeror shall enter a unit price in the space provided therefore and a total Item price based upon the estimated quantities shown on the Unit Price Proposal Form. Unit prices entered shall be the full price to County including materials, labor, services, rentals, overhead profit, etc., for the work described. Quantities shown reflect estimates from (dept) and are assumed correct for proposal purposes. The official total base proposed amount for this

proposal will be determined by multiplying the unit proposed price for each item by the respective estimated quantities shown in this proposal and then totaling all of the extended amounts. In case of error the unit prices shall govern and computations will be checked for accuracy before award is made.

If the proposal furnished with this project requires an offer on a lump sum basis, the Offeror shall enter the total price on the Lump Sum Proposal Form. In addition, a schedule of values showing the breakdown of the total price will be filled out. The schedule of values will establish prices for the individual work so that if modifications to the contract are necessary, then the cost of the modifications is easily resolved. Lump Sum amount shown will control in determining the lowest and best proposal.

Execute the Proposal in ink. Provide the complete and correct name of the Offeror submitting the proposal. The proposal must be signed by the person or persons authorized to bind the contract.

GENERAL TERMS & CONDITIONS (Requests for proposals (RFP))

ADDENDA: If RFP specifications, terms or conditions are revised, the Cameron County Purchasing Department will issue an addendum addressing the nature of the changes and notify interested potential Proposers. Proposers must acknowledge receipt and consideration of any such changes by signing the addendum and including it in the RFP package containing the Proposer's submittal.

ADVERTISING: Unless otherwise required by law, Proposers to County RFPs shall not publish and shall keep confidential their intentions and actions respecting any response to the RFP.

AWARD: Cameron County may hold RFP responses for a period of sixty (60) days. Cameron County reserves the right to reject any or all responses to RFPs. Cameron County reserves the right to award a contract, if any, based on the Proposer's response when compared to the EVALUATION CRITERIA (AS STATED IN THE RFP) and, in accordance with the laws of the State of Texas, reserves the right to waive any formality or irregularity, to make awards to more than one proposer. Cameron County Juvenile Board reserves the right to determine the method and procedures for the final award of all RFPs at any time they may choose, regardless of the Point System used by the Evaluation Committee.

BONDS: If the contract that may be entered into with the County will likely require a performance guarantee or bond, the Purchasing Department will attach a separate page to the RFP explaining those requirements.

CANCELLATION AND TERMINATION: In any contract resulting from the RFP, the County shall have the right to cancel all or any part of the undelivered portion of the contract if (1) Proposer breaches any of the terms hereof, including, but not limited to, applicable warranties, and/or (2) Proposer becomes insolvent or files for bankruptcy. Such right of cancellation is in addition to, and not in lieu of, any other remedies which the County may have in law or equity. Cancellation of work hereunder shall be effected by the delivery to the Proposer of a "Notice of Cancellation of Undelivered Work" specifying the extent to which performance of work, including all goods and services, under the contract is cancelled and the date upon which such cancellation becomes effective.

The performance of work under any resulting contract may be terminated in whole, or in part, by the County in accordance with this provision. The County shall have the right to terminate all or any part of the contract if (1) the Proposer breaches any of the terms hereof, including, but not limited to, applicable warranties, and/or (2) Proposer becomes insolvent or files for bankruptcy. Such right of termination is in addition to, and not in lieu of, any other remedies which the County may have in law or equity. Termination of work hereunder shall be effected by the delivery to the Proposer of a "Notice of Termination" specifying the extent to which performance of work, including all goods and services, under the contract is terminated and the date upon which such termination becomes effective.

CHANGE ORDERS: No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing by mutual consent of the Proposer and the County.

CONTRACT RENEWALS: Contract Renewals must receive Cameron County Juvenile Board for approval. For contract renewal status and information, please contact Monica De la Cerda at 956-399-3075 e-mail: bmdelacerda@co.cameron.tx.us Cameron County Juvenile Probation Department. Any price escalations are limited to those stated by the original contract terms. All contracts with a one (1) year renewal option require that the Proposer must notify Cameron County Juvenile Board of any anticipated price increases in writing at least three months (90 calendar days) prior to the annual renewal award date unless otherwise specified within the specific provisions of the contract up for renewal. This allows the Cameron County Juvenile Board sufficient time to find an alternative vendor if possible. If Proposer fails

to notify the Cameron County Juvenile Board within time noted it shall be assumed that there will be no price increase for the following year's award period if renewed. This procedure does not apply to any contract which allows for Open Market Price increases or Cost allowance increases.

DISCRIMINATION: In order to encourage fair employment practices, the Proposer agrees as follows: 1.) Proposer will not discriminate against any employee or applicant for employment because of race, sex, color, age, religion, handicap, or national origin; 2) in all solicitations or advertisements for employees, the Proposer will state that all qualified applicants will receive consideration without regard to race, color, sex, age, religion, handicap or national origin; 3) the Proposer will furnish such relevant information and reports as requested by the County for the purpose of determining compliance with these regulations; and 4) failure of the Proposer to comply with these laws will be deemed a breach of contract and it may be cancelled, terminated or suspended in whole or in part as a result thereof.

DISQUALIFICATION OF PROPOSER: Upon submitting a response to this RFP, Proposer certifies that the Proposer has not violated the antitrust laws of this state codified in Texas Business and Commerce Code 15.01, *et seq.*, as amended, or the federal antitrust laws, and has not communicated directly or indirectly its RFP considerations, plan or response to any competitor or any other person engaged in such line of business. Any and all responses may be rejected if the County believes that collusion exists among the Proposers. If multiples are submitted by a Proposer and after all responses to the RFPs are opened one or more of the responses are withdrawn, the result will be that all of the responses submitted by that Proposer will be withdrawn; however, nothing herein prohibits a Proposer from submitting multiples for different products or services.

EVALUATION: All responses will be evaluated in accordance with law and reviewed to assure they are in the best interest of Cameron County Juvenile Board. Evaluations shall be based on criteria bearing on price and performance of the items or services in the user environment. Any specific criteria section or sections identified elsewhere in this RFP may be evaluated by one or more evaluators once the basis and details of this process have been approved by the Purchasing Officer and acknowledged by the Evaluation Committee. Detailed information pertaining to this selective evaluation process is available to Proposers and the Cameron County Juvenile Board. Evaluation sheets and any summary of all responses are subject to review by the Cameron County Juvenile Board and Evaluation Committee's recommendation to Cameron County Juvenile Board. Compliance with all RFP requirements, delivery terms and needs of the using department are considerations in evaluating responses. Pricing is NOT the only criterion for making a recommendation (see criteria and relative importance of price and other evaluation factors, if any, specified elsewhere in this RFP). The Cameron County Purchasing Department reserves the right to contact any Proposer, at any time, to clarify, verify or request information with regard to that Proposer's response. The Cameron County Juvenile Board further reserves the right to hold negotiation discussions with any responsible Proposer determined to be reasonably susceptible of being selected for award in accordance with law.

These questions will be answered at the debriefing conference. Follow-up questions must be submitted (in writing) no later than one (1) business day after the date of the Debriefing Conference and answered no later than two (2) business days after the date of the Debriefing Conference. Follow-up answers will be sent via e-mail or fax (if e-mail not available). For RFPs, Proposers are given the opportunity to ask questions of the Evaluation Committee relative to their responses and the Committee's scores.

Protests are made: 1. To the Cameron County Juvenile Board after the debriefing conference. Proposer protests shall be received, in writing, by the Cameron County Juvenile Board within five (5) business days after the debriefing conference. 2. To the Protest Committee, only after the protest to the Cameron County Juvenile Board was not satisfactorily resolved. However, if a majority of the governing body is also required to file, and do file similar affidavits, then the member is not required to abstain from further participation. Attached and included in this RFP is a disclosure of all of this Company's business or pecuniary financial relationships with officers or employees of Cameron County or County entities (if any such relationships exists) which must be filled out, attached and included with the RFP response.
