## SECTION H. PROPOSAL EVALUATION CRITERIA

Proposals will be evaluated and ranked by a review committee appointed by the Cameron County Commissioners Court. A Willacy County representative will be included in the review committee. The respondent ranked highest by the review committee will be recommended to Commissioners Court for contract negotiation. Final contract award will be made by the Cameron County

Commissioners Court, subject to TDHCA funding. The County reserves the right to negotiate with any or all respondents and award a contract for self-help services in whole or in part.

The proposal evaluation criteria will generally be based on an agency's statement of qualifications, experience, capacity to perform, and its implementation method. Proposal evaluation factors will be scored as shown below. Interviews with respondents may or may not be conducted, at the discretion of the review committee.

**WEIGHTED QUANTITATIVE SCORING:**

Each Vendor will be assigned a score of 1- 4 by each evaluator for each criteria

- 4 = Very good / Exceeds expectations
- 3 = Above expectations
- 2 = Meets expectations
- 1 = Does not meet expectations
- 0 = non responsive

Utilization of 0 by evaluator requires Evaluation Committee's full consensus.

Evaluators average by category will be multiplied by the assigned weight for each vendor then totaled.

Once RFPs are reviewed and scored, a short list will be compiled. Interviews may be conducted with Proposers determined by total score rankings. Additional information may be required at that time. Negotiations will begin with the Proposer selected for the project. Commissioners Court will make the final selection and possible approval of the contract.

<u>Factor</u>	<u>Score</u>
a) qualifications	25
b) experience	25
c) capacity to perform	25
<u>d) implementation</u>	<u>25</u>
Total Score	100

### **PART 7: TDHCA's RFP Responses to County's Questions**

1. Question from County: Can the county, as grant recipient, require that successful selected provider "complete the housing activities within two years or less"? This will enable the County to access additional grant funds from TDHCA to expand the delivery of services within the four year program period. Yes. The County is the awardee so if you choose to use a more aggressive timeline that is your call. You can always give your subcontractor a timeline of two years and if they don't finish on time you can give them an extension.
2. Question from County: Will TDHCA allow the County to recommend from RFP responders to partner with other eligible non-profits (e.g. Habitat for Humanities, Educational Institution) and write their responsibilities in their proposal? Successful lead agency responder will "only" have to enter into inter-local agreements with the non-profit entities. I'm not sure I understand this question. Please clarify.
3. Question from County: If Habitat is included in the successful lead agency's proposal to mainly reconstruct homes, will this satisfy the procurement of Habitat services? The County posted an RFP in the newspaper for several activities, If the County chooses to give a non-profit one activity and another non-profit the other activities it is the County's choice. You can have several non-profits or just one, again, that is your choice.
4. Question from a non-profit: Is the selected provider required to follow TDHCA and/or County procurement policies, or will it be deferred to the selected providers policies? Both the County and non-profit must follow all TDHCA rules and regulations; however, there are instances where the County might have stricter requirements. In this case, again it is up to the County what they want their subcontractor to follow. They may choose to adopt only TDHCA rules and regulations or they can opt to add the additional regulations enforced at the County level. Additionally you must also follow the approved HAGs which delineate the way the program will be operated.
5. Question from a non-profit: If specified builders are mentioned in our response to the RFP, (ex. Habitat, Willacy Housing Authority) can we designate how many homes each will build as participants in the selected providers response? In other words for that designated number of homes will we need to follow procurement procedures of accepting the lowest best bid if we are allowing them as builders to provide X number of homes to satisfy the contract? You must select the best reasonable bid. If for example you have a provider that has the lowest bid yet you have had negative experiences with that organization (ex: doesn't meet timelines, produces shotty work, ect.), you can choose the next best bidder. But you must make sure that you have adequate information in your files on why you are not choosing your first lowest bidder in case your contract gets monitored. Remember the golden rule: document document document.
6. Question from non-profit: Can the targeted colonias be rotated on an annual basis meaning that all program activities be concentrated in a designated site and then rotating the following year to another colonia, until all designated colonias are served? The contract is a four year contract and targets 5 colonias. Residents from all colonias should be allowed to apply for the program. As per your HAGs (not yet approved), the applications will be awarded on a first come first served basis so I don't think this scenario would work as you would be making some resident wait to be able to apply for the program.
7. Question from non-profit: Can the targeted colonias be rotated on an annual basis meaning that all program activities be concentrated in a designated site and then rotating the following year to another colonia? See comments on #6
8. Question from non-profit: If by virtue of entering into a cooperation agreement at the inception and in response to the RFP as part of the overall program design involving the applicant entity, the building contractor, and the management firm would procurement requirements be met? Or can non-competitive negotiation procurement be allowed if, after a solicitation of a number of sources, competition is determined inadequate especially if we can first submit evidence of all public advertisement? (This question relates to question 2 and 5.) I'll refer to Homero or Albert
9. Question from non-profit: Can procurement for construction activities be applied to multiple residential sites (in the colonias) especially when using the same floor plan, materials, and budget Yes. Will the county be getting floorplans as part of the procurement process? It would be a good idea to get them along with a budget.

## **PART 9: COUNTY PROCUREMENT TERMS AND CONDITIONS**

### **GENERAL TERMS & CONDITIONS (Requests for proposals (RFP))**

**ADDENDA:** If RFP specifications, terms or conditions are revised, the Cameron County Purchasing Department will issue an addendum addressing the nature of the changes and notify interested potential Proposers. Proposers must acknowledge receipt and consideration of any such changes by signing the addendum and including it in the RFP package containing the Proposer's submittal.

**ADVERTISING:** Unless otherwise required by law, Proposers to County RFPs shall not publish and shall keep confidential their intentions and actions respecting any response to the RFP.

**AWARD:** Cameron County may hold RFP responses for a period of sixty (60) days. Cameron County reserves the right to reject any or all responses to RFPs. Cameron County reserves the right to award a contract, if any, based on the Proposer's response when compared to the EVALUATION CRITERIA (AS STATED IN THE RFP) and, in accordance with the laws of the State of Texas, reserves the right to waive any formality or irregularity, to make awards to more than one proposer. Commissioners Court reserves the right to determine the method and procedures for the final award of all RFPs at any time they may choose, regardless of the Point System used by the Evaluation Committee.

**BONDS:** If the contract that may be entered into with the County will likely require a performance guarantee or bond, the Purchasing Department will attach a separate page to the RFP explaining those requirements.

**CANCELLATION AND TERMINATION:** In any contract resulting from the RFP, the County shall have the right to cancel all or any part of the undelivered portion of the contract if (1) Proposer breaches any of the terms hereof, including, but not limited to, applicable warranties, and/or (2) Proposer becomes insolvent or files for bankruptcy. Such right of cancellation is in addition to, and not in lieu of, any other remedies which the County may have in law or equity. Cancellation of work hereunder shall be effected by the delivery to the Proposer of a "Notice of Cancellation of Undelivered Work" specifying the extent to which performance of work, including all goods and services, under the contract is cancelled and the date upon which such cancellation becomes effective.

The performance of work under any resulting contract may be terminated in whole, or in part, by the County in accordance with this provision. The County shall have the right to terminate all or any part of the contract if (1) the Proposer breaches any of the terms hereof, including, but not limited to, applicable warranties, and/or (2) Proposer becomes insolvent or files for bankruptcy. Such right of termination is in addition to, and not in lieu of, any other remedies which the County may have in law or equity. Termination of work hereunder shall be effected by the delivery to the Proposer of a "Notice of Termination" specifying the extent to which performance of work, including all goods and services, under the contract is terminated and the date upon which such termination becomes effective.

**CHANGE ORDERS:** No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing by mutual consent of the Proposer and the County.

**CONTRACT RENEWALS:** Contract Renewals must receive Commissioners Court approval. For contract renewal status and information, please contact Elisa Cisneros at 956-982-5405 e-mail: [Elisa.Cisneros2@co.cameron.tx.us](mailto:Elisa.Cisneros2@co.cameron.tx.us) Cameron County Purchasing Dept. or Dylbia Jeffries 956-550-1340 [djefferies@co.cameron.tx.us](mailto:djefferies@co.cameron.tx.us) at the Cameron County Civil Legal Division. Any price escalations are limited to those stated by the original contract terms. All contracts with a one (1) year renewal option require that the Proposer must notify Cameron County of any anticipated price increases in writing at least three months (90 calendar days) prior to the annual renewal award date unless otherwise specified within the specific provisions of the contract up for renewal. This allows the County sufficient time to find an alternative vendor if possible. If Proposer fails to notify the County within time noted it shall be assumed that there will be no price increase for the following year's award period if renewed. This procedure does not apply to any contract which allows for Open Market Price increases or Cost allowance increases.

**DISCRIMINATION:** In order to encourage fair employment practices, the Proposer agrees as follows: 1.) Proposer will not discriminate against any employee or applicant for employment because of race, sex, color, age, religion, handicap, or national origin;

2) in all solicitations or advertisements for employees, the Proposer will state that all qualified applicants will receive consideration without regard to race, color, sex, age, religion, handicap or national origin; 3) the Proposer will furnish such relevant information and reports as requested by the County for the purpose of determining compliance with these regulations; and 4) failure of the Proposer to comply with these laws will be deemed a breach of contract and it may be cancelled, terminated or suspended in whole or in part as a result thereof.

**DISQUALIFICATION OF PROPOSER:** Upon submitting a response to this RFP, Proposer certifies that the Proposer has not violated the antitrust laws of this state codified in Texas Business and Commerce Code 15.01, *et seq.*, as amended, or the federal antitrust laws, and has not communicated directly or indirectly its RFP considerations, plan or response to any competitor or any other person engaged in such line of business. Any and all responses may be rejected if the County believes that collusion exists among the Proposers. If multiples are submitted by a Proposer and after all responses to the RFPs are opened one or more of the responses are withdrawn, the result will be that all of the responses submitted by that Proposer will be withdrawn; however, nothing herein prohibits a Proposer from submitting multiples for different products or services.

**EVALUATION:** All responses will be evaluated in accordance with law and reviewed to assure they are in the best interest of Cameron County. Evaluations shall be based on criteria bearing on price and performance of the items or services in the user environment. Any specific criteria section or sections identified elsewhere in this RFP may be evaluated by one or more evaluators once the basis and details of this process have been approved by the Purchasing Officer and acknowledged by the Evaluation Committee. Detailed information pertaining to this selective evaluation process is available to Proposers and the Commissioners Court upon request. Evaluation sheets and any summary of all responses are subject to review by the Cameron County Purchasing Department and Evaluation Committee's recommendation to Cameron County Commissioners Court. Compliance with all RFP requirements, delivery terms and needs of the using department are considerations in evaluating responses. Pricing is NOT the only criterion for making a recommendation (see criteria and relative importance of price and other evaluation factors, if any, specified elsewhere in this RFP). The Cameron County Purchasing Department reserves the right to contact any Proposer, at any time, to clarify, verify or request information with regard to that Proposer's response. The Cameron County Purchasing Department further reserves the right to hold negotiation discussions with any responsible Proposer determined to be reasonably susceptible of being selected for award in accordance with law.

**PROTEST PROCEDURES:** Procedure - This protest procedure is available to Proposers responding to this RFP and requesting a debriefing conference.

Debriefing questions must be submitted in writing to the Purchasing Department no later than two (2) business days before the scheduled date for the Debriefing Conference. These questions will be answered at the debriefing conference. Follow-up questions must be submitted (in writing) no later than one (1) business day after the date of the Debriefing Conference and answered no later than two (2) business days after the date of the Debriefing Conference. Follow-up answers will be sent via e-mail or fax (if e-mail not available). For RFPs, Proposers are given the opportunity to ask questions of the Evaluation Committee relative to their responses and the Committee's scores.

Protests are made: 1. To the Purchasing Department after the debriefing conference. Proposer protests shall be received, in writing, by the Purchasing Department within five (5) business days after the debriefing conference. 2. 2. The Department's internal protest review procedures consist of the following:
  - a) The Purchasing Department shall perform an objective review of the protest by individuals not involved in the acquisition protested. The review shall be based on the written protest material submitted by the Proposer.
  - b) A written decision will be delivered to the Proposer within five business days after receipt of the protest, unless more time is needed. The protesting Proposer shall be notified if additional time is necessary.

Final Determination:

The final determination shall:

1. Find the protest lacking in merit and uphold the agency's action; or
2. Find only technical or harmless errors in the agency's acquisition process, determine the agency to be in substantial compliance, and reject the protest; or 3.
