This allows the County sufficient time to plan for re-advertising for Proposals due to a vendor required price increase.

If Vendor fails to notify the County within time noted it shall be assumed that there will be no price increase for the following year's award period if renewed. This procedure does not apply to any Annual RFP/RFQ's which allow for Open Market Price increases or Cost allowance increases during the RFP/RFQ award period (as so specified in the RFP/RFQ documents).

If multiples are submitted by an Proposer and after the RFP/RFQ's are opened, one of the RFP/RFQ's are withdrawn, the result will be that all of the RFP/RFQs submitted by that Proposer will be withdrawn; however, nothing herein prohibits a vendor from submitting multiples for different products or services.

## SECTION I GENERAL REQUIREMENTS AND INSTRUCTIONS

### A. PURPOSE

Cameron County is seeking quotations for property and liability insurance protection. The County is prepared to accept retentions or deductibles compatible with its financial strengths, provided that the credits extended justify the assumption of the financial risk. Cameron County will consider a plan that deviates from options listed if it offers overall cost benefits. The insurance is to take effect on July 1, 2013.

### B. NOTICE

1. The information contained in these specifications is confidential and is to be used only in connection with preparing proposals for insurance.
2. Cameron County reserves the right to accept or reject, in part or in whole, any portion of the proposal program when, in its judgment, such action is deemed necessary and in the best interests of the insured. The County also reserves the right to waive or dispense with any of the formalities contained herein.
3. Each proposer is asked to submit quotations on the basis of the specifications contained herein. Alternative proposals will also be considered, provided the alternatives are clearly explained. All deviations from the specifications must be clearly identified and explained in the appropriate proposal form.
4. The underwriting information contained herein is believed to be accurate and up-to-date, but is not intended to be an express or implied warranty. Requests for additional information should be directed to Mr. Marcelino Salinas (see address information in D., Communication).

Monroe Street, 3<sup>rd</sup> Floor, Suite 345, Brownsville, Texas 78520, by no later than 10:00 a.m. on Tuesday, April 30, 2013, in a sealed envelope. Each sealed envelope should be clearly labeled "PROPOSAL NO. 130203, PROPERTY & CASUALTY INSURANCE PROPOSAL, SEALED RFP."

When proposals are sent by mail, the proposer shall be responsible for their delivery by the date set for the closing of proposal acceptance. If the mail is delayed beyond the date set for the closing for reasons other than as outlined in the earlier pages of this RFP, proposals thus delayed may not be considered.

The sealed envelopes will be opened at the Cameron County Courthouse, 1100 East Monroe Street, Brownsville, Texas in the Purchasing Department – 3<sup>rd</sup> Floor – Room # 345 at 10:01 a.m. (as per Purchasing Department time clock) on deadline due date.

#### **E. PROPOSALS**

1. Proposals are to be clearly explained and identified. The proposal specifications contain proposal forms. These forms should be completed by the proposer and attached to the proposal. Unless otherwise stated, all blank spaces on the proposal page or pages, applicable to subject specifications, must be correctly completed. All costs, including optional programs, must be clearly stated and summarized. Exceptions or deviations from the specifications must be explicitly identified in the Exception Form contained in the specification package. Failure to follow these instructions may be grounds for disqualification of a proposal.

***Please note: If no exceptions are listed in the Exception Form at the end of each section, it will be presumed that the proposal contemplates coverage. Also, it is mandatory for all proposers to list in the exceptions any material restriction of coverage that may be proposed by insurers. The Exception Form should be used to list any specifications that cannot be complied with for legal reasons.***

2. Proposers may withdraw their proposals at anytime prior to the time specified as the closing time for acceptance of proposals. However, no proposer may withdraw or cancel their proposal after the closing time for submission.
3. If any person who is submitting a proposal is in doubt as to the true meaning of any part of these specifications, he/she may submit to RWL Group a written request for interpretation thereof. The person submitting the request will be responsible for its prompt delivery to RWL Group. As to the interpretation of the specifications, the decision of RWL Group will be final. ***Oral explanations will not be binding.***
4. Cameron County will accept one of the proposals, or a combination of several parts of more than one of the proposals, or reject all proposals as soon as possible after the time for close of proposals.

## **F. QUALIFICATIONS**

### **1. AGENT:**

All agents submitting proposals for this insurance must meet the following minimum qualifications:

- a. The agency must be duly licensed to do business in the State of Texas.
- b. The agency must have insurance for agent's errors and omissions with a limit of at least \$1,000,000 per-occurrence. A certificate evidencing coverage must be included with the proposal.
- c. The agency must have been in business for at least five (5) years.
- d. The agency must assign a minimum of one qualified account representative to service Cameron County. This representative should have several years of experience in public entity property and liability lines and/or hold an insurance designation. Please include the resumes of all proposed account representatives in the proposal.

### **2. INSURER:**

- a. Although proposals will be accepted from carriers regardless of their *A.M. Best* rating (or whether or not they are rated) more favorable consideration will be given to those proposals submitted by carriers with ratings of at least A-:VII in the latest edition of *A.M. Best's Key Rating Guide* (property/casualty edition).
- b. Insurers shall be duly licensed, or approved non-admitted carriers, and comply with all applicable state insurance laws and requirements or duly constituted applicable insurance regulatory authorities.
- c. Local claims, underwriting and engineering capabilities will be considered a plus. If independent servicing firms are to be used for claims or safety engineering services, their names and addresses must be shown.
- d. Quotations will be accepted from intergovernmental risk sharing pools organized in accordance with Article 4413 (32c), Texas Interlocal Cooperation Act, and Article 8309h, Workers Compensation for Political Subdivisions. Self-insurance pools must include a current financial statement (Balance Sheet and Statement of Operations) and the most recent audited financial statements, including the auditor's opinion, plus complete particulars about its reinsurance programs.

**G. ASSIGNMENT OF MARKETS (Does Not Apply To Direct Writers)**

The market allocation procedure is applicable to situations when more than one agent wants to obtain quotes from the same insurance group. Cameron County reserves the right to assign the use of any given insurance carrier with respect to this insurance to a specific agent or broker to avoid multiple contacts with a single insurance underwriter. Your cooperation is asked in helping obtain as wide a representation of potential insurers as is presently possible through the following method:

1. Each agent (or company) participating in the proposal process is asked to submit an initial list of insurers with which he/she would like to work in preparing proposals for the requested programs. ***This list should be ranked in order of preference.*** A prepared form for these requests is attached entitled "Market Request Form." Please list no more than three choices per line of coverage.
2. The Market Request Form is due beginning at 5:00 p.m. on Wednesday, February 27, 2013. This form should be completed and e-mailed/mailed/faxed to Carolyn A. Miller at RWL Group. A complete copy should also be sent to Mr. Mr. Marcelino Salinas at Cameron County.
3. RWL Group will begin assigning markets at 3:00 p.m., Monday, March 4, 2013, based on the requests received at that time.
4. Insurance markets will be assigned in accordance with the following principles:
  - a. All market awards will endeavor to follow the requests in the order of priority indicated by the agent. At the discretion of Cameron County and RWL Group, the order of choice between agents requesting the same markets will be determined by the order in which the Market Request Forms are received by RWL Group. ***No markets are to be contacted or reserved until approved by RWL Group. Failure to follow these rules may result in disqualification of your proposal.***
  - b. Insurance carriers presently providing insurance to Cameron County will automatically be retained by the current agent or (agent's group), provided he/she lists the carrier(s) as the first choice on the Market Request Form. The incumbent agent shall have first choice in the market selection. Remaining markets will be assigned by order of preference listed and date/time received by RWL Group.
  - c. Requests for insurance markets received after the date indicated will be honored only to the extent that such companies have not previously been requested and assigned.
5. No more than one agent may contact any one insurance group. To assist us in achieving this, all requests for carriers that are part of a group should be made in the name of the group and ***not the individual carrier.*** Market requests for other than insurance companies or groups will not be acceptable; for example, if the company is National Union, please show your choice as AIG Group. Refer to Item 6 in Section II (General Underwriting Requirements) with regard to non-admitted carriers that may be part of a group. In the case of E&S markets, however, please show the name of the company only. Do not list the group or intermediary.

6. Cameron County reserves the right to assign additional markets as may be appropriate, if not in conflict with previous assignments. If additional markets are desired, the agent must secure prior approval from RWL Group before approaching said markets. Additional markets may be requested beginning Tuesday, March 5, 2013. Additional markets must be requested in writing and must not be contacted or reserved without approval from RWL Group. ***Failure to follow these rules may result in disqualification of your proposal.***
7. If full insurance coverage will not be provided by one insurer, the percentage of the amount of coverage to be provided by each insurer must be shown.
8. If RWL Group or Cameron County feels that all viable markets have not been approached, a letter will be sent to all providers listing these additional markets. Each provider will be permitted to choose **one** additional market from this list on a first-come, first-served basis, via a faxed or written request.

#### **H. SELECTION CRITERIA**

Cameron County reserves the right to award the subjects of the proposal, in whole or in part, to those proposers who demonstrate professional competence in submitting proposals that satisfy cost, coverage, and servicing criteria. Insurance proposals will be carefully evaluated in terms of cost effectiveness and coverage, and for compliance with the insurance, risk financing, and servicing criteria as contained in the specifications. The insured will consider the merits of each proposal, whether on a consolidated or fragmented basis. Award will be made to the proposer submitting the lowest, best, and most responsible proposal.

#### **I. SERVICING CRITERIA**

Cameron County strongly desires to receive personalized and timely risk management services of the highest professional quality from the selected proposer. Proposers who demonstrate the professional capability, expertise, and experience in handling an account the size of Cameron County will receive favorable consideration. Servicing criteria will be evaluated in terms of such considerations as:

1. Number of years in business.
2. Size of agency and staff.
3. Experience of staff.
4. Professional servicing capability; i.e., loss control, claims management, information storage systems, underwriting, exposure and hazard identification, etc.
5. Capability and willingness of agency resources to personally respond to the professional needs of the insured in a timely manner.
6. Technical skills of staff with respect to insurance coverages and knowledge of certain internal risk management administrative considerations (insurance budgets, premium allocations, contractual risk transfer, legal trends, etc.).

Appropriate emphasis will be placed on these considerations with respect to the evaluations of the insurance proposals.

Each proposer is therefore asked to submit a written addendum to his proposal which responds to this section ("Servicing Criteria") and which specifically identifies the names of personnel who will be responsible for servicing Cameron County. The written addendum should include the qualifications and experiences of account executive personnel and technical support persons who will be directly responsible for servicing Cameron County. A proposed plan should be clearly explained as to how you intend to deliver the requested services in a personalized and timely manner. **Please use the Servicing Criteria Form, which appears at the end of Section I for responding to this item.**

**J. DISQUALIFICATION AND REJECTION OF PROPOSALS**

Failure to comply with the requirements or the procedures set forth herein, or to satisfy the insurance and servicing criteria as set forth in the specifications, may result in disqualification of the proposer or rejection of the insurance proposal. ***It is not intended that technical exceptions to the specifications will, in and of themselves, disqualify proposers, unless the exceptions are deemed to be material. Cameron County reserves exclusive right to make determination as to what is or is not material.*** The County reserves the right to reject a proposer if the proposer is in arrears on existing contracts or County taxes.

**K. LEGAL**

All proposers are expected to comply with all federal, state and local insurance laws and regulations relative to the preparation and submission of insurance proposals. All proposals that are submitted will be presumed to be in compliance with all applicable laws.

**L. AUTHORIZED SIGNATURE**

All proposal forms must be signed by persons who have the legal authority to bind the insurer to the insurances that are proposed.

**M. EVALUATION CRITERIA**

The selection of a proposal for insurance will be made after a careful evaluation of the proposals received. Each proposal will be evaluated for acceptability, with emphasis on the various factors enumerated in the table outlined below. Each factor is assigned a numerical score. The scores will be used to develop a list of potential providers with whom negotiations may be conducted.

Evaluations will be based on the following criteria, for which up to 100 points may be awarded.

<b>Criteria</b>	<b>Maximum Points</b>
Public Sector Experience =	10
References =	10
Responsiveness to Specifications =	20
Cost =	60
<b>Total Possible Points =</b>	<b>100</b>

The County will evaluate qualifications and select the most responsible, responsive proposal, subject to a fair and reasonable compensation.

**N. CONTRACT**

All agents or service providers will be required to execute a mutually acceptable contract with Cameron County.

**I. PROPERTY**  
**(Including Electronic Data Processing Equipment,  
Inland Marine and Boiler & Machinery and Excluding  
International Bridges)**

The specifications below include two options:

**OPTION I -- NON-TWIA—**

Please provide a quote for all other perils, including primary wind, flood and earthquake

**OPTION II -- TWIA (WIND)—**

Please provide a quote for the specific TWIA (monoline wind) locations, limits and 1% deductibles per schedule in the underwriting section; and

Provide a property quote with primary coverage for all perils, except excess wind over TWIA or equivalent coverage for the specific TWIA locations and drop-down wind coverage for non-TWIA locations listed on the schedule of locations for Option I above at named storm deductibles of 1% and 2%.

1. A combined direct damage and time element policy is requested.
2. Blanket per-occurrence limits are preferred for all personal and real property, including improvements and betterments per schedule. These limits are requested on an “all-risk” basis. “All-risk” perils may be provided in any combination of named perils and all other perils or special extended coverage agreement. Coverage is to be written on a replacement-cost basis. If scheduled, covered property should include all fences, lighting, poles, antennas, retaining walls, EDP equipment, street lights and signs, machinery and equipment in the open, satellite dishes, scoreboards, canopies, awnings, fine arts, communication towers (including equipment), voting machines, etc., per schedule.

Such property should be situated at the described locations and include property in the open or within 1,000 feet of the described location. Coverage for certain property may be insured in an inland marine floater for agreed value and off-premises coverage.
4. With the exception of wind, flood and earthquake, quote alternate per-occurrence deductibles of \$25,000 and \$50,000.
5. With reference to the perils of wind and hail:
  - Quote alternate named wind and hailstorm loss limits of \$50,000,000, \$60,000,000 and \$65,000,000 per-occurrence in any combination of property insurance layers (TWIA option may be included). Quote an all other perils loss limit of \$50,000,000 (excluding flood, earthquake and named storm wind.)
  - Quote named storm wind deductibles at 1% and 2% per building or location that is damaged, subject to a minimum \$100,000 per-occurrence deductible and all other wind at \$25,000 and \$50,000 per-occurrence (not including Item 9.a herein; i.e., unscheduled outdoor property).

With reference to applicable TWIA coverage:

- Quote TWIA coverage per schedule attached at 1% deductible.

- Provide drop-down coverage for non-TWIA locations listed on the property schedule at alternate named storm deductibles of 1% and 2%.
- Provide drop-down coverage for ineligible TWIA property at an alternate limit of \$500,000 per-occurrence, subject to 1% and 2% deductibles per building that is damaged, subject to a minimum per-occurrence deductible of \$100,000.

With reference to the peril of flood:

- Quote sublimits of \$5,000,000 per-occurrence/\$5,000,000 aggregate and \$10,000,000 per-occurrence/\$10,000,000 aggregate for all direct damage and time element coverages, subject to the following deductibles:

Zone A – Maximum NFIP split limits of \$500,000 buildings/\$500,000 contents

All Other (Excluding Zone V) -- \$100,000 per-occurrence

6. Quote sublimit of \$5,000,000 per-occurrence/\$5,000,000 aggregate and \$10,000,000 per-occurrence/\$10,000,000 aggregate for earthquake, subject to \$25,000 and \$50,000 per-occurrence deductibles.
7. Quote combined business income/extra expense at alternate per-occurrence limits of \$3,000,000 and \$5,000,000, subject to 72-hour and 96-hour waiting periods. Coverage is to apply to all perils, including wind, flood and earthquake.
8. With reference to all other perils (excluding wind, flood and earthquake), quote full limits per schedule with deductibles of \$25,000 and \$50,000 per-occurrence. This coverage may also be layered on an excess loss limit basis to achieve the TIV limit. Also quote a \$50,000,000 limit for all other perils.
9. Provide an optional quote to include coverage for all perils referenced above as follows (all other perils plus flood, earthquake and wind):

Notwithstanding anything to the contrary referenced herein, in the event of reduction or exhaustion of the annual aggregate limits of liability for those perils in the policies issued by the underlying insurers by reasons of loss(es) hereunder caused by or resulting from said perils, this policy shall:

Attach excess of those reduced underlying limits and the applicable deductible(s) and/or other self-insured retention(s) contained in the policy(ies) of the primary insurer(s), but only to the extent that such loss or damage is insured both hereunder and in the policy(ies) of the underlying insurers, and in no event to exceed the excess limit(s) of liability for those same perils stated in the policy.

Continue in force as underlying insurance for loss or damage caused by or resulting from those perils, subject to the applicable deductible(s) and/or other self-insured retention(s) contained in the policy(ies) issued by the primary insurer(s), but only to the extent that such loss or damage is insured both hereunder and in the policy(ies) of the underlying insurers, and in no event to exceed the excess limit(s) of liability for those same perils stated in this policy.

- **Sublimits Coverage Provision:**

Notwithstanding anything to the contrary referenced herein, in the event the primary underlying limits are exhausted, this policy shall cover applicable sublimited coverages up to, and not exceeding, the applicable sublimit for each coverage insured in the underlying policy. In no event shall this coverage and underlying coverages pay any amount for sublimited coverages in excess of the applicable sublimit, except when this policy is specifically written to provide excess coverage for losses arising out of the specified perils of earthquake and flood, subject always to the maximum limits of this policy.

- **Priority of Payments Provision:**

Notwithstanding anything to the contrary referenced herein, in determining the amount of any one loss, disaster or casualty for which this policy is excess, the total loss for all coverages caused by any combination of perils, including underlying sublimits, one or more of which is insured against under the forms attached shall be used even though all such perils or coverages are not insured against by this policy. Upon exhaustion of the limit(s) of liability or sublimits of the underlying insurance, this policy shall be liable for the loss in excess of the limits of liability of the underlying insurance with respect to those perils and/or coverages insured hereunder, subject to the limit(s) and sublimit(s) of this policy.

- **Quota Share Coverage:**

If coverage is quota share, the terms and provisions in all participating coverages must read exactly the same in all applicable policies.

- **Excess Coverage:**

All excess coverages should follow form and provide continuity of coverage for applicable perils and insured property.
