(J) CONSIDERATION AND POSSIBLE ACTION REGARDING REIMBURSEMENTS FROM FEMA. (PSJ-ADMINISTRATOR)

Mr. Robert L. Lopez, Director of Administrative Services, informed the Court that he and a representative with Beck Disaster Recovery have met with the Treasurer's Office to determine whether any reimbursements from FEMA have been received and they have not. He stated that he has made a call to the Texas Comptroller's Office and they recommended calling the Governor's Division of Emergency Management regarding the distribution of reimbursements.

Judge Cascos expressed concern with the delay of receiving reimbursements from FEMA as Hurricane Dolly hit Cameron County (5) months prior.

Commissioner Tamayo recommended that a letter be sent to the Governor's Office asking for clarification as to the status of the reimbursements.

Commissioner Garza noted that he met with FEMA representatives and they had issue with the County's consultants.

Mr. David Garcia, Deputy County Administrator, added that he met with a FEMA representative and asked who the County should contact regarding the reimbursements and the representative could not give him an answer.

Judge Cascos recommended that any future pre-position contracts include a clause whereas the contractor will be paid 50% by the County with the remaining 50% to be paid once the County receives FEMA reimbursements.

Commissioner Tamayo expressed frustration for the delay in receiving reimbursements and recommended that the Court take action regarding this issue.

NOTE: Commissioner Garza left the meeting at 9:22 a.m.

Mr. Buri added that his agency has been working well with FEMA.

Commissioner Tamayo disagreed with Mr. Buri and added that if Beck Disaster Recovery was working well with FEMA, Cameron County should have received some reimbursement.

Mr. Garcia recommended that the County concentrate on working with FEMA and the State.

Mr. Buri explained that FEMA has released funds to the State and the State then has to perform validations to determine that funds were expended for disaster-related costs.

Commissioner Wood inquired as to who is responsible for performing validations.

Mr. Buri replied that the Governor's Division of Emergency Management Recovery Section is responsible.

Commissioner Wood recommended that the County contact the Governor's Division of Emergency Management to assist in validating so that reimbursements can be received.

Judge Cascos recommended that Mr. Lopez and he meet in order to call the proper individuals regarding this matter.

Commissioner Tamayo motioned to acknowledge the Report regarding the Reimbursements from FEMA.
