Judge Cascos stated that at a previous Meeting there was discussion regarding protocols that were not followed that led to the construction and subsequent removal of a shower in one of the District Courtrooms. Lopez, Director of Administrative Services. He apologized to Mr. Marcelino Ibarra for any hurt feelings or for any fallout associated with the implication.

Mr. Robert L. Lopez, Director of Administrative Services, accepted responsibility for the construction of the shower and apologized.

Judge Cascos asked that Mr. Ibarra be informed of the Court's deepest apologies for any harm caused.

#### **(F) DISCUSSION AND POSSIBLE ACTION FOR CAMERON COUNTY TO PARTICIPATE AND CONTRIBUTE FINANCIALLY TO CRUISESHIP FEASIBILITY STUDY. (DAG-DEPUTY ADMINISTRATOR)**

Brownsville Navigation District Commissioner Ralph Cowen stated that a coalition comprised of the City of Port Isabel, the Town of South Padre Island, the City of Harlingen, the Port of Brownsville, the City of Brownsville and possibly Cameron County is being created to do a cruiseship feasibility study and explained that each entity will have one representative on the Committee and each entity will be responsible for contributing \$10,000 for the feasibility study.

Judge Cascos directed the County Auditor to identify funding for the feasibility study if the Court wishes to participate in the coalition.

Ms. Martha Galarza, County Auditor, advised the Court that funding for the feasibility study would have to come from lapsed salaries.

Commissioner Tamayo inquired as to which entities have already committed to funding the feasibility study.

Mr. Cowen replied that the Harlingen Airport, the Town of South Padre Island, the City of Port Isabel and the Port of Brownsville have each committed funding with the City of Brownsville placing an item on their agenda in the near future.

Commissioner Benavides motioned to direct the County Auditor to identify funding within lapsed salaries.

The motion was seconded by Commissioner Tamayo.

Mr. Richard Burst, Legal Counsel, advised the Court that the motion must include "subject to the review by Legal Counsel" as the feasibility study must be for a public purpose and may require an interlocal agreement.

(V) **CONSIDERATION AND ACTION AUTHORIZING COUNTY AUDITOR TO REFUND CITATION OF SERVICE FEE AS PER ATTACHED SCHEDULE. (MG-AUDITOR)**

Judge Cascos-"If you all recall, this is the one that we talked about the last couple of weeks ago?"

Ms. Martha Galarza, County Auditor-"That's the one that we talked about and that we addressed..."

Commissioner Wood-"Monday."

Judge Cascos-"Yeah, Monday."

Ms. Galarza-"...at Monday's Meeting, yes."

Judge Cascos-"You might want to bring Commissioner Garza up to speed on it since he wasn't here at the Meeting as to what has occurred and what's going on."

Ms. Galarza-"At the Meeting on Monday, I had brought it up to the Court's attention that we should void those Claims that had been tabled from the prior week where we were processing the..."

Commissioner Garza-"Right."

**NOTE: Commissioner Tamayo stepped out of the Meeting at 7:58 p.m.**

Ms. Galarza-"Ok, so my recommendation was to void those. There was some discussion on that and then the Court voted at that point to go ahead and void those checks that the Treasurer was still holding and to put an Agenda Item on for this Meeting to refund the citation fee to the plaintiff that had paid the citation fee; so this is a refund of the citation fee going back to the plaintiff because what we would be doing or what..."

Commissioner Garza-"Well, how many plaintiffs are there in this?"

Ms. Galarza-"It's check numbers should be 71 and there is a check register attached for approval at tonight's Meeting as well; that's why we're discussing this one first before we approve the Claims. So this is reimbursing back the citation fee that has been collected by these offices to the people that requested the citation of service."

Judge Cascos-"Even though..."

Mr. Richard Burst, Legal Counsel-"Is this Item 'V'?"

Ms. Galarza-"Yes."

Judge Cascos-"...service was provided?"

Commissioner Wood-"It wasn't provided by the County though."

Judge Cascos-"Right, it wasn't provided by the County, but a service was provided."

Ms. Galarza-"By the civil process server."

Judge Cascos-"By the civil process server; you know they were collecting money..."

Commissioner Garza-"Yeah, no I understand."

Judge Cascos-"Ok, so then since we've voided the checks that were going to the individual process servers. There was discussion about refunding the money to the people that paid. So it's going to be up to them if they want to pay on their own after a service has been provided; if they want to pay the civil processors, the private civil processors, the monies that they left in the registry of Cameron County."

Commissioner Garza-"Is this legal, Mr. Counsel?"

Mr. Burst-"Yes sir. The money is being refunded to the party that paid it because they didn't get the service they paid for. They paid for service by the Sheriff..."

Commissioner Garza-"But service was paid for a lot of other ones that have already been dispersed. Are we going to be held liable for refunding that too?"

Mr. Burst-"That's an issue that would have to be taken to Court. It's a potential that's out there."

Judge Cascos-"I think the potential's out there and I think you're right is that anybody-and who knows how far back they can go that this happened. We may be forced to refund the money if we set the precedent now."

Commissioner Garza-"Well, we are setting the precedent."

Commissioner Wood-"What we're also doing is we're not paying for services that someone provided; which we had been doing for several years until we discovered recently that we couldn't legally do that. So ignorance I don't think is, you know, going to keep us from being held liable for doing something for all these years that we've been doing. As we talked before, I think all of us or most of us agreed that what we probably should have done was said, 'Ok we can't do it anymore, this is the last day it's going to be done,' but pay for the service to the people who provided the service as we had been doing for all these years but we chose not to do that. We chose to stop it basically retroactive."

Commissioner Garza-"Stop it, yeah."

Commissioner Wood-"Yeah and people had already provided services. Now if we keep this money that we didn't provide the service for-we paid that other money out previously to people who did provide service so they got paid for it and the service was provided. Service was provided, but we haven't paid this money out and apparently we're not going to. How can we legally keep the money where we didn't do anything to provide- you know, it's a mess. It's a mess."

Judge Cascos-“Depending on how far you want to go because then the argument could be made is that, ‘You know what we’ve made a whole bunch of illegal payments over the years, go back and see who we illegally paid, get that money back from them because we illegally paid them and then give it back to the plaintiffs’.”

**NOTE: Commissioner Tamayo returned to the Meeting at 8:02 p.m.**

Commissioner Garza-“But we’re not holding that money.”

Judge Cascos-“I know but we did make-I mean, I’m just telling you what potentially is out there because we’ve made illegal payments and that’s already been digested. We’ve made illegal payments.”

Commissioner Garza-“Legal says I can do it, so...”

Judge Cascos-“We can do this, but there’s nothing to prevent something from happening.”

Commissioner Wood-“I move to approve.”

Judge Cascos-“Moved by Commissioner Wood.”

Commissioner Garza-“Second.”

Judge Cascos-“Second by Commissioner Garza. All in favor signify by saying ‘aye’.”

Commissioner Benavides, Commissioner Wood, Commissioner Garza and Commissioner Tamayo and Judge Cascos-“Aye.”

Judge Cascos-“Any opposed? Item carries.”
